The Town of Brentwood dedicates its 1995 Town Report to Olivia Rogers Hartford.

In 1959, her teaching career began as a substitute for the surrounding towns, working nearly every day of the school year, and in 1964, she passed her National Teacher's Exam. In 1968, 28 years ago, Olivia began her full time career as a teacher at Swasey Central School, hired on a "gentleman's agreement", with a majority of those years with the third grade.

While working full time, she continued her own education through night and summer courses, by earning her Associate Degree in Arts at U.N.H. in 1973. In 1976, she continued on to earn her Bachelor of Arts and Bachelor of General Science, Cum Laude, to a standing ovation of the entire assembly of graduates and professors. Olivia achieved all of this while teaching full time, and raising 5 children with her husband of 57 years, Howard.

Olivia is active in the community, volunteering often at the Channel 11 Auctions, and is active in her church.

Olivia Hartford will be retiring in June, 1996. She has taught two generations in Brentwood the three "R's", as well as respect, responsibility, love, and believing in yourself, to name a few. Those of us who have been exposed to her talents have been enriched, and we thank you, Olivia, for all you've done.

Brentwood Zoning Ballot

"Are you in favor of adoption of amendment number 1 as proposed by the planning board for the Town of Brentwood Zoning Ordinance as follows:"?

Amend Article III, Establishment of Districts and Uses, Section 3.1, District Boundaries, paragraph 1.D.a. to read as follows:

Easterly side of Pine Road between Middle Road (Route 111-A) and Exeter Town Line (Route 101)

Beginning at the southern bounds of the parcel designated on the Brentwood Tax Map as 5.3.5 and including all of said lot, the commercial zone encompasses all other lots northerly to the Exeter Town Line. The Exeter Town Line shall be the eastern limit of the commercial zone for the remaining length of Pine Road.

"Are you in favor of adoption of amendment number 2 as proposed by the planning board for the Town of Brentwood Zoning Ordinance as follows:"?

Amend the Brentwood Zoning Ordinance to include a new section 7.3, Aquifer Protection, C. Use Regulations, c. Maximum Lot Coverage in the Aquifer Protection District that would change the existing requirements to those detailed below:

- 7.3 Aquifer Protection
C. Use Regulations
c. Maximum Lot Coverage

PROPOSE AS FOLLOWS:

- (1) Within the Aquifer Protection District, no more than 20% of the area of a residential lot may be rendered impervious to ground water infiltration.
- (2) Within the Aquifer Protection District, the portion of the area of a Commercial/Industrial lot that may be rendered impervious to ground water infiltration shall be determined by the transmissivity of that lot (ref. U.S. Geological Survey Map, ref. Par. 7.3 B a. Above) in accordance with the following:

ALLOWABLE COVERAGE, %, IN COMMERCIAL/INDUSTRIAL ZONE

<u>Transmissivity</u> In ft ² /day	<u>Coverage</u> in %
Less than 500	65
500-1000	55
1000-2000	45
more than 2000	35

- (3) Within the Aquifer Protection District, where impervious areas exceed 35% of the total lot area, facilities will be provided to collect surface water from impervious areas and route same to non-impervious areas to allow for infiltration of this drainage. These facilities will be maintained free of debris, silt, etc., to ensure proper operation.

The design of the collection system must ensure that, at a minimum, the runoff from impervious areas in excess of 35% of total lot area be infiltrated to recharge ground water.

INDEPENDENT AUDITOR'S COMMUNICATION OF REPORTABLE CONDITIONS AND OTHER MATTERS

To the Members of
the Board of Selectmen
Town of Brentwood
Brentwood, New Hampshire

In planning and performing our audit of the Town of Brentwood for the year ended December 31, 1994, we considered the Town's internal control structure in order to determine the scope of our auditing procedures for the purpose of expressing our opinion on the financial statements. Our review of these systems was not intended to provide assurance on the internal control structure and should not be relied on for that purpose.

Under the standards established by the American Institute of Certified Public Accountants, reportable conditions involve matters coming to our attention relating to significant deficiencies in the design or operation of the internal control structure that, in our judgment, could adversely affect the Town's ability to record, process, summarize, and report financial data consistent with the assertions of management in the financial statements. A material weakness is a reportable condition in which the design or operation of one or more of the internal control structure elements does not reduce to a relatively low level the risk that errors or irregularities, in amounts that would be material in relation to the financial statements being audited, may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. Our consideration of the internal control structure would not necessarily disclose all matters in the internal control structure that might constitute reportable conditions and, accordingly, would not necessarily disclose all reportable conditions that are also considered to be material weaknesses as defined above.

During the course of our review, the following conditions were noted that we do not consider to be material weaknesses:

COMPUTER SYSTEM - REPEAT COMMENT

Presently the Town is not fully utilizing all of the capabilities of the computer software system. The Town's records are maintained on a cash basis utilizing a nonstandard chart of accounts. We are pleased to report, however, that the Town has requested that we assist in converting the financial records to the modified accrual basis of accounting and to assist in converting to the NHGFOA Chart of Accounts. Hopefully, this will be accomplished in the fiscal year ending December 31, 1995.

PURCHASE ORDER SYSTEM - REPEAT COMMENT

The main purpose of a purchase order system is to obtain proper approval on purchases over a certain dollar amount before ordering the goods or services. More often than not, it appears as though the

purchase orders are filled out after the invoice for payment is received. We recommend that management enforce its present purchase order policy.

TRUST FUND REPORTING - REPEAT COMMENT

Short-term capital gains "reinvested" are not being recorded as an increase to the cost basis of the various securities. The number of shares and the value of the securities as reported on the MS-10 are understated. We recommend that these amounts be recorded in the future.

In addition to the foregoing, we recommend that management consider abolishing the collection of resident taxes. We do not consider resident taxes to be a cost efficient way of obtaining revenue.

Minor weaknesses or other considerations coming to our attention were generally procedural in nature and dealt with administrative or recordkeeping practices. In these instances, we made specific recommendations or provided instruction to those individuals involved during the course of our audit fieldwork. Areas discussed included:

- A. Establishment of a Conservation Fund as voted (Article No. 16 - 1992 Annual Town Meeting)
- B. Tax Collector - Statutory requirements on various notices relating to the tax lien procedure

Overall, we were generally pleased with the condition of the Town's financial records.

In closing, we would like to express our appreciation to those persons whose cooperation and assistance have helped us to achieve efficiencies in completing our audit.

This report is intended solely for the information and use of management and others within the administration. This restriction is not intended to limit distribution of this report, which is a matter of public record.

INDEPENDENT AUDITOR'S REPORT ON FINANCIAL PRESENTATION

To the Members of
the Board of Selectmen
Town of Brentwood
Brentwood, New Hampshire

We have audited the accompanying general purpose financial statements of the Town of Brentwood as of and for the year ended December 31, 1994, as listed in the table of contents. These general purpose financial statements are the responsibility of the Town's management. Our responsibility is to express an opinion on these general purpose financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general purpose financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the general purpose financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall general purpose financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described in Note 1B, the general purpose financial statements referred to above do not include the General Fixed Assets Account Group, which should be included to conform with generally accepted accounting principles. The amount that should be recorded in the General Fixed Assets Account Group is not known.

In our opinion, except for the effect on the financial statements of the omission described in the preceding paragraph, the general purpose financial statements referred to above present fairly, in all material respects, the financial position of the Town of Brentwood as of December 31, 1994, and the results of its operations and cash flows of its nonexpendable trust funds for the year then ended in conformity with generally accepted accounting principles.

Our audit was made for the purpose of forming an opinion on the general purpose financial statements taken as a whole. The combining and individual fund financial statements listed in the table of contents are presented for purposes of additional analysis and are not a required part of the general purpose financial statements of the Town of Brentwood. Such information has been subjected to the auditing procedures applied in the audit of the general purpose financial statements and, in our opinion, is fairly presented in all material respects in relation to the general purpose financial statements taken as a whole.

REPORT OF THE CHIEF OF POLICE

Honorable Board of Selectmen
Citizens of Brentwood

It is my pleasure to submit my first report as Chief of Police for the year 1995.

I would like to thank William J. Vahey for the support and twelve years he served the Town of Brentwood as Chief of Police.

We had two promotions within the Department this year. David Menter was appointed to Lt/Deputy Chief and Kevin Johnston was appointed to Sergeant. Four new Officers were added to the Department; Wayne Young, David Roy, Terry White and Jonathan Kelley, who are certified by the N.H. Police Training and Standards Council. Officer Michael Johnston has left the Department to join the service.

Office hours for the Police Department are Tuesday nights from 7:00 to 10:00. Our phone number for emergency calls is 679-2225 and for non-emergency 642-3165.

I would like to thank the Board of Selectmen, the citizens of Brentwood and the Officers of the Department for their support and co-operation this past year.

The following is a breakdown of the types and numbers of complaints answered by the Department in 1995:

Motor Vehicle Accidents	66	Alarms	90
Motor Vehicle Violations	120	Domestics	45
Motor Vehicle Stops	701	Vandalism	27
Fire Assistance	38	Animal Complaint	93
Ambulance Assistance	45	Assaults	5
Mutual Assistance	78	Bad Checks	19
Burglarys	11	Juvenile	69
Court	54	Lock Outs	10
Theft	22	Miscellaneous	821
Patrols	511	Motor Vehicle DWI	20

Respectfully submitted,
Wayne M. Robinson, Chief of Police

REPORT OF THE BRENTWOOD FIRE DEPARTMENT, 1995

BRENTWOOD BOARD OF SELECTMEN
CITIZENS OF BRENTWOOD

THIS PAST YEAR HAS PROVEN TO BE A VERY BUSY AND PRODUCTIVE YEAR FOR THE DEPARTMENT. IT RESPONDED TO 135 FIRE AND 116 AMBULANCE CALLS. OF ALL THE RESPONSES BY THIS DEPARTMENT, 11% WERE TO THE ROCKINGHAM COUNTY COMPLEX ON NORTH ROAD.

THE VOLUNTEER FIRE AND RESCUE ASSOCIATION SUBSIDIZED THE PURCHASE OF THE NEW AMBULANCE AS A DIRECT RESULT OF THE JENNIE SHANNON BEQUEST. THE DONATION TOTALED \$48,953. FOR THE AMBULANCE AND EQUIPMENT. THE BALANCE OF THE \$78,800 PURCHASE CAME FROM TAX MONEY AND ACCUMULATED AMBULANCE FEES. AMBULANCE FEES WILL CONTINUE TO BE DEPOSITED IN A CAPITAL RESERVE FUND FOR ANY FUTURE AMBULANCE REPLACEMENT.

THE DEPARTMENT HOPES THAT MANY NEW VOLUNTEERS WILL COME FORWARD TO SERVE THE TOWN AS FIREFIGHTERS OR AMBULANCE ATTENDANTS. THE DEPARTMENT PROVIDES ALL THE NECESSARY TRAINING. VOLUNTEERING IS A GREAT WAY TO MAKE NEW FRIENDS AND SERVE YOUR TOWN.

THE VOLUNTEER FIRE & RESCUE ASSOCIATION WAS FORCED THIS PAST YEAR TO ASK THE FIRE WARDS TO INCLUDE IN THEIR BUDGET A GREATER SHARE OF THE OVERHEAD COSTS OF OPERATING THE STATION. THIS WAS DUE TO THE DEMISE OF BINGO WHICH HAS SUPPORTED THE NEEDS OF THE BRENTWOOD RECREATION AND THE FIRE & RESCUE ASSOCIATION FOR THE PAST 30 YEARS. THIS DEPARTMENT EXTENDS A HEARTFELT THANK YOU TO THE COUNTLESS DEDICATED BINGO WORKERS WHO MADE ITS OPERATION A SUCCESS FOR SO MANY YEARS.

IN CLOSING, WE WANT TO TAKE THIS OPPORTUNITY TO THANK THE LADIES AUXILIARY AND THE VOLUNTEER FIRE & RESCUE ASSOCIATION FOR ALL THEY DO TO SERVE THIS DEPARTMENT AND THE RESIDENTS OF BRENTWOOD. WE ALSO WANT TO THANK RETIRED DEPUTY ROBERT WILSON FOR HIS MANY YEARS OF FAITHFUL SERVICE TO THE DEPARTMENT.

SINCERELY,

CHIEF NORMAN J BYRNE
DEPUTY CHIEF KEVIN LEMOINE
DEPUTY CHIEF JOSEPH BIRD

Brentwood Recycling Association Report for 1995

Our recycling efforts continued to grow, in 1995, and volunteerism is alive and well in Brentwood! Like other New Hampshire towns, Brentwood's recycling program is geared to reducing our tax burden by reducing the Town's landfill costs. Of course, we also are conserving a part of our valuable resources, such as metal, paper and petroleum-based plastics.

Two big steps were taken at our drop-off center, this year, with the addition of steel cans and textiles as items for weekly collection. A used 30 cubic yard "Can-tainer" was purchased through a 50% grant from New Hampshire the Beautiful. It will hold approximately 6 tons of flattened steel food cans. Also, because our Spring Fabric Festival was so successful (we collected 9 tons of clothing), we are now taking textiles as part of our regular Saturday drop-off recycling. We had another Festival day in October (4.5 tons). We are using our old paper (mural) container for clothing, as it is no longer moveable over highways for safety reasons. The clothing, shoes and materials go to very needy people, USA and abroad.

We now have **100 Volunteers** for Saturday monitoring at the drop-off center! The plan is to have three monitors there each Saturday morning, because of the variety of materials coming in. Association veterans help to train new volunteers on a continuous basis. Brentwood has the largest number of citizen volunteers working on recycling in New Hampshire! At the same time we get to know our fellow townspeople better. Our volunteers contributed over **500 person-hours** in 1995 to recycling.

At the Drop-Off Center at the Town Offices, Brentwood recycled in 1995:

30 tons of NorthShore mixed paper

4,500 pounds of HDPE and PETE plastic resins

26,346 pounds of mixed textiles and footwear

2,250 pounds of steel food cans

This saved the Town more than \$2,000 in landfill tipping fees in 1995. We also received payment for much of the recycled material, ex.) 7 cents/lb. for all textiles. Paper prices varied by the week, going as high as \$110 down to \$32/ton. Cans are currently \$20/ton. Mr. Hussey takes our plastics to CCA in Nashua for no charge.

Approximately 70 tons of paper, mixed glass and aluminum beverage cans (ABC's) were recycled through curbside containers. This saved the Town approximately \$3,500 in tipping fees we would have paid at the landfill. Brentwood receives no income from curbside materials. Residents have a good choice of options for refuse disposal, and convenience.

If you would like to become a Brentwood recycling volunteer, or serve on the Recycling Committee, contact Olive Tash at the Town office, or contact Joe White at 679-5718. Read the *Brentwood Newsletter* for updates on recycling. Members of the Recycling Committee are: Dave Roberts/chair, Mark Evans, Peter Foster, Ben Spead, Bob Webb and Joe White/volunteer coordinator.

MARY E. BARTLETT MEMORIAL LIBRARY

1995 was a year of growth for our library as well as the rest of the community. The library has added hours, personnel, and services. Joyce Miller has been a most welcome addition to our staff. Although we are still open thirty hours a week, we no longer cut back on hours in the summer, as we find ourselves as busy then as the rest of the year.

More and more people are taking advantage of the Interlibrary loan system. Print outs from four-hundred periodicals are available from Article Express, sponsored by the New Hampshire State Library. Story hours have increased to two a week with over thirty children participating on a regular basis. The Summer Reading Program, sponsored by the Friends of the Library, has become increasingly well-attended.

Last Spring, the floor in the original part of the library, weakened by years of jumping school children and the weight of many books, was shored up and replaced. While the books and shelving were out of the library in trailers, the Friends of the Library managed to paint all of the woodwork and to have the walls papered. Only those who know just what the room looked like before can really appreciate the difference, and we constantly receive compliments on just how nice the library does look. To further our good looks, a group of volunteers arrived one Saturday and managed to paint most of the outside in a few hours.

The definition of volunteer is someone who offers his or her services freely. Thanks to the Trustees, the Friends of the Library, and those people like Grace Wood, Leslie Webb, Rose Zacher, and Janice Knutson as well as all of the others who are there when we need them.

ANNUAL REPORT
OF THE
BRENTWOOD SCHOOL DISTRICT

SCHOOL WARRANT
STATE OF NEW HAMPSHIRE

To the inhabitants of the School District of Brentwood, in the county of Rockingham and said state, qualified to vote in District affairs:

You are hereby notified to meet at the Swasey Central School on **SATURDAY, THE NINTH day of March, 1996 at 9:00 AM** to act upon the following subjects:

1. Shall the School District accept the provisions of RSA:195 (as amended) providing for the establishment of a Cooperative School District together with the school districts of East Kingston, Kensington, Exeter, Stratham and Newfields, in accordance with the provisions of the proposed articles of agreement filed with the School District Clerk? (This article to be voted upon by ballot, after debate, at the meeting. The School Board recommends that the School District establish the Cooperative School District as stated in those articles of agreement.) (School Board recommends)
2. To see if the District will vote to raise and appropriate the sum of Two Million Nine Hundred Fifty Eight Thousand, Six Hundred Eighty Four Dollars (\$2,958,684) for the support of the schools, for the payment of salaries for school district officials and agents, and for the payment of the statutory obligations of the district. (School Board recommends) (Budget Committee Recommends)
3. To see if the District will vote to raise and appropriate the sum of Forty Seven Thousand Six Hundred Dollars (\$47,600.00) as a deficit appropriation for the July 1, 1995 through June 30, 1996 fiscal year to cover higher than anticipated costs for special education, pupil transportation, Junior High tuition and other costs associated with instruction. (School Board recommends) (Budget Committee Recommends)
4. To see if the District will vote to enter into a Collective Bargaining Agreement with the Brentwood Teachers Association (the union representing teachers in the Brentwood School District) covering the three (3) year period from September 1, 1996 to August 31, 1999 and approve the cost items included therein containing, in summary: continuation of existing non-salary benefits with the following changes: Health Insurance coverage continues with the additional alternatives of the District paying 80% of the two person Blue Cross Comp 200 plan with managed care and the District paying \$1,000.00 to those covered under another health plan; an additional dental insurance benefit so that the District pays 50% of the "C" portion of the Delta Dental Plan; and \$4,000.00 budgeted for professional leave of all teachers; and the following salary increase schedule: first year - 3% increase over 1995-1996; second year - 3% increase of the 1996-1997 rates; third year - 2% increase over the 1997-1998 rates.

The approximate increase in the cost of teacher salaries, step increases and related benefits because of this agreement for each of the three (3) years (subject to change resulting from changes in the number of and in the educational degrees and years of experience of teachers employed) over the preceding year will be:

\$39,354.00 in the first year
\$40,904.00 in the second year
\$36,748.00 in the third year

And, further to raise and appropriate the sum of Thirty Nine Thousand, Three Hundred Fifty Four Dollars (\$39,354.00) for the 1996-1997 year, such sum representing the additional costs (over the amount included in the School Board's proposed operating budget for 1996-1997) attributable to the increase in salaries and related benefits. (School Board recommends) (Budget Committee recommends)

5. To see if the School District will vote to raise and appropriate the sum of Fifteen Thousand Dollars (\$15,000.00) for the purpose of establishing the salary for the position of a part time Technology Coordinator. (School Board recommends) (Budget Committee Recommends)
6. To see if the School District shall vote to raise and appropriate the sum of One Thousand Two Hundred and Fifteen Dollars (\$1,215.00) to install video cameras in the school buses used to transport its Elementary, Junior High School and Senior High School students. (School Board recommends) (Budget Committee recommends)

7. To engage in public discussion regarding the citizen's petition to the Brentwood School Board pursuant to RSA 40:14 "Shall we adopt the provisions of RSA 40:13 to allow official ballot voting on all issues before the School District?" (Citizen's Petition - School Board Recommends)
8. Shall the School District accept the provisions of RSA 198:20-B providing that any School District at an annual meeting may adopt an article authorizing the school board to apply for, accept and expend, without further action by the School District, money from a State, Federal or other source which becomes available during the fiscal year? (School Board recommends)
9. To hear reports of agents, auditors, and committees or officer heretofore chosen and to pass any vote relating thereto.
10. To transact any other business that may come before this meeting.

Given under our hands this 12 day of February, 1996.

BRENTWOOD SCHOOL DISTRICT MEETING

MARCH 11, 1995

9:00 A.M.

Moderator: Jim Shuckman

The meeting was opened at 9:00 a.m. by Moderator Jim Shuckman.

Mary Clancy asked to be recognized and stated that each person requesting to speak to identify themselves and their address so that she could verify their eligibility to speak. She stated that everyone speaking must be a registered voter in town.

It was brought to Moderator Shuckman's attention a petition by some townspeople requesting a secret ballot on articles 3, 4, and 5. Mr. Shuckman was advised by council that this was to be allowed because there were at least five signatures on the petition and could not be over-ridden.

Article 1. - Motion was made and seconded to accept Article One. Lois DeYoung asked to make an amendment to the final line item by Twenty Thousand Nine Hundred (\$20,900) Dollars on line item 110564 and 110565 because of the rise in tuition costs. The total on the Article would be amended to Two Million Six Hundred Eighty Three Thousand Two Hundred Ten (\$2,683,210.00) Dollars from Two Million Six Hundred Sixty Two Thousand Three Hundred Ten (\$2,662,310.00) Dollars. UPON MOTION DULY MADE AND SECONDED, it was unanimously voted to make an amendment to Article One to include the additional Twenty Thousand Nine Hundred (\$20,900.00) Dollars. UPON MOTION DULY MADE AND SECONDED, it was unanimously voted to pass Article One at the total of Two Million Six Hundred Eighty Three Thousand Two Hundred Ten (\$2,683,210.00) Dollars.

Article 2 - Motion was made and seconded to accept Article Two. UPON MOTION DULY MADE AND SECONDED, it was unanimously voted to pass Article Two to allow the school district to accept the provision of RSA 198:20b providing that any school district at an annual meeting may adopt an article authorizing indefinitely, until specific rescission of such authority, the school board to apply for, accept and expend, without further action by the school district, unanticipated money from a state, federal, or other governmental source which becomes available during the fiscal year.

Article 3 - Motion was made and seconded to accept Article Three. UPON MOTION DULY MADE AND SECONDED, it was voted by ballot vote to pass Article Three to see if the school district will vote to raise and appropriate the sum of Seventeen Thousand Six Hundred Seven (\$17,607.00) Dollars to establish a non-mandatory, tuition based kindergarten program for the district. The appropriation will be met by anticipated revenues from said tuition in the estimated amount of Eighteen Thousand (\$18,000.00) Dollars. This appropriation shall be contingent upon, and, limited to the amount and extent of tuition payments received for kindergarten pupils during the 1995-96 school year. Final vote was 111-36 with one ballot being disqualified.

Article 4 - Motion was made and seconded to accept Article Four. UPON MOTION DULY MADE AND SECONDED, it was voted by ballot vote to pass Article Four to see if the school district will vote to raise and appropriate the sum of Ten Thousand (\$10,000.00) Dollars for the purpose of start-up funds and need based scholarships associated with the establishment and implementation of a tuition based kindergarten program for the District. This appropriation is contingent upon the and limited to the passage of Article #3, establishing a non-mandatory kindergarten program. Final vote was 108-40.

Article 5 - Motion was made by Ike Cross and seconded to not have a ballot vote on Article Five. All five residents that signed the petition were present and agreed not to have a ballot vote on Article 5. Motion was made and seconded to accept Article Five. UPON MOTION DULY MADE AND SECONDED, it was unanimously voted to accept Article Five to see if the school district will vote to raise and appropriate the sum of Twenty Thousand Dollars (\$20,000.00) for the purchase of computer equipment for the Swasey School.

Article 6 - Motion was made and seconded to accept Article Six. UPON MOTION DULY MADE AND SECONDED, it was unanimously voted to accept Article Six to see if the school district will vote to raise and appropriate the sum of Eighteen Hundred Seventy five Dollars (\$1,875.00) for the purpose of purchasing and installing magnetic door closures in the Swasey School.

Article 7 - Motion was made and seconded to accept Article Seven. UPON MOTION DULY MADE AND SECONDED, it was unanimously voted to accept Article Seven to see if the school district will vote to raise and appropriate the sum of Thirteen Thousand Dollars (\$13,000.) and to add said fund to the Capital Reserve Fund established at the March, 1994 school district meeting and known as the Capital Reserve Fund-Special Education.

Article 8 - Motion was made and seconded to accept Article Eight. UPON MOTION DULY MADE AND SECONDED, it was unanimously voted to accept Article Eight to hear reports of agents, auditors, committees, of officers chosen, and take any vote relating thereto. There were no additional reports to be heard from said groups.

Article 9 - Motion was made and seconded to accept Article Nine. UPON MOTION DULY MADE AND SECONDED, it was unanimously voted to choose agents and committees in relation to any subject embraced in this warrant.

Article 10. Motion was made and seconded to accept Article Ten. UPON MOTION DULY MADE AND SECONDED, it was unanimously voted to transact any other business which may legally come before this meeting. No other business was brought before the meeting.

UPON MOTION DULY MADE AND SECONDED, it was unanimously voted to adjourn the meeting at 11:50 A.M.

Respectfully submitted

PRINCIPAL'S REPORT

The Swasey Central School looks a bit different this year with the addition of its first Kindergarten Class. Eighteen in number as we began the school year, its enrollment has now grown to 21. The program is an excellent one which recognizes the developmental needs of each child and prepares them for first grade. Kathy Gibbons is our Kindergarten teacher and is ably supported by Jane Allison, the Kindergarten aide.

With the addition of Kindergarten, an unusually large first grade class and the addition of 16 new children to the town, our population has grown to 234 this year. This is the largest that Swasey School has ever been.

Newcomers to our staff this year are Ms. Kelsa Main and Mrs. Juliette Gavin. Kelsa teaches our 4/5 multiage class and has added great enthusiasm to this level. Juliette teaches music and, although this is a part time position, Juliette has quickly become an integral member of our staff. Unfortunately snow conditions prevented us from showcasing Juliette's intermediate chorus in December. We ended up doing it during school time and invited anyone who could come.

Thanks to last year's Technology Committee which made a proposal to the School Board for enough money to purchase new computers and printers for each classroom, we were able to purchase 10 Apple Macintosh computers and 10 new printers. A very generous parent donated new computer carts which makes it much easier for teachers and students to use them and move them. Most of the computers came bundled with software word processing program, dictionary, encyclopedia and atlas. In addition, we were able to purchase several software programs appropriate to the various grade levels. The teachers had a week of computer training in June after which they were able to take the computers home so that they might familiarize themselves with the hardware and software before coming back to school.

Again this year, January was designated as Multi-Cultural Month. Each class has chosen a country to learn about and then present in a Multi-Cultural Day at the end of the month. Last year, this day was an enormous success as students were able to experience the songs, dances, food and other cultural customs of each country.

This year we have expanded our extra curricular activities thanks to a grant which we were able to access. Jump Rope Club has continued to meet before school two days a week. This involves approximately 22 children. The after school program for primary students meets once a week for about 45 children while the intermediate group numbering 25 meets one other afternoon. We were able to continue the Art Club which meets once a week. This involves about 14 children. We also had enough money to fund an intermediate chorus which would have been held after school but because our new music teacher had no after school availability, chorus is held on Wednesday afternoons just before the end of school. The chorus is comprised of approximately 40 students. We are pleased that so many students are taking advantage of these programs.

The Volunteer Group again this year has been busy providing us with many helpful services as well as money to fund our assembly programs. Thanks to this money, we were able to have The Gerwick Puppets who presented a great Thanksgiving puppet show and The Storytime Travelers from the Exeter Area High School who presented three multi-cultural stories through drama and song. The children loved both programs. We are currently booking programs with the Holderness Science Center, some of which will be done in-school and some at the center. We are very grateful for the volunteer's wonderful service to our school which again this year earned them a Blue Ribbon from the NH Partners for Education.

Our fourth grade teacher, Robert Schroeder chaired a committee made up of teachers, parents and representatives of several town organizations in designing and writing a Learn and Serve NH grant. The mission is to develop a Quiet Trail System behind Swasey School. Thankfully, all their hard work paid off and they were funded at the maximum amount-\$3000.

Every so often, the school loses a teacher who has provided faithful service over a long period of time. So it is this year as we bid farewell to Mrs. Olivia Hartford who retires after 28 years of teaching at Swasey. This is a great achievement and I know that the school as well as the entire town will miss her.

Again this year, we have tried to provide your children with the best possible education. We thank all the parents for their support and look forward to another productive year.

SAU 16 REPORT OF ADMINISTRATION

**William J. Clancy
Superintendent**

**Barbara L. Lobdell
Assistant Superintendent**

**Paul A. Flynn
Assistant to the Superintendent
Human Resources Manager**

In 1995-96, SAU 16 welcomed our new Assistant Superintendent, Barbara Lobdell, the former Principal of the East Kingston Elementary School. Also welcomed were two new principals, Sheril Polisner at Newfields Elementary School and Anne Goodman at East Kingston Elementary School, a new Assistant Principal at Lincoln and Main Street Schools, Richard Flagg, a new Assistant to the Principal at EAJHS, John LeSage, and a new Assistant Principal at Stratham Memorial School, Tom Fosher.

Kensington voters approved public kindergarten commencing in September, 1995, and Brentwood voters approved a tuition based kindergarten program.

In March, 1996 Newfields voters will be asked to reconsider a building project to serve the growing elementary school population.

The school enrollments in SAU 16 schools continue to increase to an extent that facility planning is a need in all districts. The situation which is most acute is at the Exeter AREA Junior High School and soon at Exeter AREA High School.

There is study and discussion regarding the creation of a cooperative school district for grades 6-12. There has been a hearing regarding this matter, and there are articles on the warrants of each of the towns in the AREA Agreement to vote on the establishment of such a cooperative school district. The proposed Articles of Agreement are included elsewhere in this annual report for your study.

During the 1996-97 year there will be significant school board activity involving the hiring of replacements for the current SAU 16 Superintendent and Exeter AREA High School Principal.

COOPERATIVE SCHOOL DISTRICT:

Proposed articles of agreement among the school districts of Brentwood, East Kingston, Exeter, Kensington, Newfields and Stratham for a Grades 6 through 12 Cooperative School District.

ARTICLE 1: The school districts of Brentwood, East Kingston, Exeter, Kensington, Newfields, and Stratham shall convert the Exeter AREA Authorized Regional Enrollment Area to a Cooperative School District and create a Cooperative School District pursuant to these articles of agreement. The name of the Cooperative School District will be determined by the newly elected Cooperative School Board.

ARTICLE 2: The Cooperative School District shall be responsible for Grades 6, 7, 8, 9, 10, 11, and 12.

ARTICLE 3: The Cooperative School Board shall consist of nine (9) members, with each position on the Board having a residency requirement as set forth below. The initial term of each Board position shall be as set forth below. After the initial term, each position shall have a three (3) year term. If during his or her term a Board member changes his or her place of residency to a municipality other than that prescribed for his or her position, the position shall thereupon be considered vacant, the vacancy to be filled as provided by law for school board vacancies. All Board members shall be elected by the voters "at large". All the initial Cooperative School Board members shall be elected at the Cooperative School District organizational meeting. After the initial term, voting for Cooperative School Board members, who shall continue to be elected at large, shall be by the voters of each town at the elections held for town officers. The initial terms of the Board members elected at the organizational meeting shall be as follows:

BOARD POSITION <u>NUMBER:</u>	REQUIRED <u>RESIDENCY:</u>	INITIAL TERM <u>ENDING:</u>
1	Brentwood	1998 (2 years)
2	E. Kingston	1999 (3 years)
3	Exeter	1999 (3 years)
4	Exeter	1998 (2 years)

5	Exeter	1997 (1 year)
6	Kensington	1998 (2 years)
7	Newfields	1997 (1 year)
8	Stratham	1999 (3 years)
9	Stratham	1997 (1 year)

The members of the Cooperative School Board shall assume office at the close of the organizational meeting and thereafter at the close of the annual meeting.

All members of the Cooperative School Board shall be elected by the use of the non-partisan ballot system under RSA 671.

ARTICLE 4: The Exeter School District shall sell and the Cooperative School District shall purchase the current Exeter AREA High School and the Exeter AREA Junior High School including 67.2 acres, the buildings thereon, and all furnishings and equipment, as provided under the provisions of RSA 195:9, for a price of TWELVE MILLION EIGHT HUNDRED SIXTY THOUSAND (\$12,860,000.00) DOLLARS, to be paid as follows: assumption of the debt owed to State Street Bank & Trust Company, as Trustee, as of the date of operating responsibility; and the balance in ten (10) equal annual installments beginning on September 1, 1997.

ARTICLE 5: These articles and the continued existence of the Cooperative School District are dependent upon the Cooperative School District, at a meeting to be held on or before March 31, 1997, voting: to renovate and construct an addition or additions to the existing Exeter AREA High School and/or Exeter AREA Junior High School or construct new school buildings so that the gross floor area of the Cooperative School District buildings is not less than 400,000 square feet; and to issue bonds necessary to finance that construction. If those votes are not passed by the Cooperative School District on or before March 31, 1997, this plan to convert to and create a Cooperative School District shall terminate and the Cooperative School District

shall dissolve and the member districts shall revert to the Exeter AREA Authorized Regional Enrollment Area.

ARTICLE 6: Each district's percentage of the capital and operating expenses of the Cooperative School District, payable in each fiscal year, shall be the average of: (x) the district's percentage of the average daily membership during the second preceding year; and (y) the district's percentage of total enrollment as of October 1 of the preceding year, both of which as determined by the State Department of Education. For example, an individual district's percentage for the 1999-2000 fiscal year shall be computed as follows:

The district's percentage of average daily membership during the 1997-1998 school year	+	The district's percentage of total enrollment as of October 1, 1998
--	---	---

:

2

ARTICLE 7: A schedule of monthly payments based on the method of apportionment of operating and capital expenses shall be established and revised as necessary by the Cooperative School Board of the Cooperative School District.

ARTICLE 8: After the date of operating responsibility, the state aid to which each district would be entitled for Grades 6 through 12 if it were not part of the Cooperative School District shall be paid to the Cooperative School District and credited to such district's share of the total operating budget.

The state building aid which may be available to the Cooperative School District shall be applied to reduce the capital expenditure prior to the apportionment of costs under the provisions of Article 6. In addition, the Exeter School District shall pay to the Cooperative School District the remaining state building aid payment(s) relating to the Exeter AREA High School science lab project.

ARTICLE 9: The Cooperative School District shall provide pupil transportation for all students of the Cooperative School District as required by law (RSA 189:6-9-a), and otherwise as determined by the Cooperative School District Board.

ARTICLE 10: These articles of agreement may be amended by the Cooperative School District, consistent with the provisions of RSA 195:18 III(I), except that no amendment shall be effective, unless the question of adopting such amendment is submitted at a Cooperative School District meeting to the voters of the Cooperative School District after reasonable opportunity for debate in open meetings, and unless a majority of the voters of the Cooperative School District who are present and voting shall vote in favor of adopting such amendment. Furthermore, no amendment of these articles shall be considered except at an annual or special meeting of the Cooperative School District and unless the text of such amendment is included in an appropriate article in the warrant for such a meeting.

The Cooperative School Board shall hold a public hearing concerning the adoption of any amendment to these articles of agreement at least ten (10) days before such annual or special meeting and shall cause notice of such hearing and the text of the proposed amendment to be published in a newspaper having a general circulation in the district at least fourteen (14) days before such hearing.

ARTICLE 11: For the 1997-1998 school year exclusively, the Cooperative School District will offer employment, on such terms as the Cooperative School Board shall determine, to teachers teaching in Grades 6 through 12 of the pre-existing districts as of the date of operating responsibility, except that, (1) the Cooperative School District will not employ more teachers than the number of teaching positions established in the Cooperative School District and (2) the Cooperative School District will not be obligated to employ more teachers from a pre-existing school district than the number necessary to teach the number of students attending from that pre-existing district at the class size determined by the Cooperative School Board, and (3) if the Cooperative School Board determines that the Cooperative School District requires more teachers than those teaching in Grades 6 through 12 of the pre-existing districts, the Cooperative School Board may employ additional teachers, and (4) if no certified teacher teaching in Grades 6 through 12 of the pre-existing districts accepts a particular position at the Cooperative School District on the terms offered by the Cooperative School Board,

the Cooperative School Board may offer that particular position to a teacher who was not employed in the pre-existing districts.

ARTICLE 12. The date of operating responsibility of the Cooperative School District will be July 1, 1997. On the date of operating responsibility, tuition payments under the Exeter AREA Authorized Regional Enrollment Agreement shall terminate, subject to any debits and credits to be computed for the fiscal years ending June 30, 1996, and June 30, 1997.
